# Gentle On My Mind

Dean Martin

1-2, 1-2-3-4

**Intro: G/// Gmaj7/// G6/// Gmaj7///**

**G/// Gmaj7/// G6/// Gmaj7///**

**G Gmaj7 G6**

It's knowing that your door is always open

**Gmaj7 Am Caug C Caug**

And your path is free to walk

**Am Caug C**

That makes me tend to leave my sleeping bag

**D7 G Gmaj7 G6 Gmaj7**

Rolled up and stashed behind your couch

**G Gmaj7**

And it's knowing I'm not shackled

**G6 Gmaj7**

by for-gotten words and bonds

**G Gmaj7 Am Caug C Caug**

And the ink stains that have dried if on some line

**Am Caug C D7**

That keeps you in the back-roads by the rivers of my memory

**Am D7 G Gmaj7 G6 Gmaj7**

that keeps you ever gentle on my mind

**G Gmaj7**

It's not clinging to the rocks and ivy

**G6 Gmaj7 Am Caug C Caug**

Planted on the columns now that binds me

**Am Caug**

Or something that some-body said

**C D7 G Gmaj7 G6 Gmaj7**

Be-cause they thought we fit together walking

**G Gmaj7 G6**

It's just knowing that the world will not be cursing

**Gmaj7 G Gmaj7 Am Caug C Caug**

Or for-giving when I walk along some railroad track and find

**Am**                      **Caug**                      **C**                      **D7**  
That you're moving on the back-roads by the rivers of my memory

**Am**                      **D7**                      **G**                      **Gmaj7 G6 Gmaj7**  
And for hours you're just gentle on my mind

**G**                                      **Gmaj7**  
Though the wheat fields and the clothes lines

**G6**                                      **Gmaj7**                      **Am**                      **Caug C Caug**  
And the junkyards and the highways come between us

**Am**                      **Caug**                      **C**  
And some other woman's cryin' to her mother

**D7**                                      **G**                      **Gmaj7 G6 Gmaj7**  
Cause she turned and I was gone

**G**                                      **Gmaj7**                      **G6**                                      **Gmaj7**  
I still might run in silence, tears of joy might stain my face

**G**                                      **Gmaj7**                      **Am Caug C Caug**  
And the summer sun might burn me 'til I'm blind

**Am**                      **Caug**                      **C**                      **D7**  
But not to where I cannot see you walkin' on the backroads

**Am**                      **D7**                      **G**                      **Gmaj7 G6 Gmaj7**  
By the rivers flowing gentle on my mind

**G**                                      **Gmaj7**                      **G6**  
I dip my cup of soup back from a gurglin'

**Gmaj7 G Am Caug C Caug**  
Cracklin' cauldron in some train yard

**Am**                                      **Caug**  
My beard a roughening coal pile,

**C**                                      **D7**                      **G**                      **Gmaj7 G6 Gmaj7**  
And a dirty hat pulled low across my face

**G**                                      **Gmaj7**  
Through cupped hands 'round the tin can

**G6**                                      **Gmaj7**                      **Am Caug C Caug**  
I pre-tend to hold you to my breast and find

**Am**                      **Caug**                      **C**                      **D7**  
That you're wavin' from the backroads by the rivers of my memories
